Notes: Elizabeth Dobson (née Stringer) was a milliner who was christened in the old Parish Church of St Mary, Scarborough on 19 October 1803. She was Adrian's 3xgrt grandmother. She married Master Mariner Matthew Dobson of Scarborough in the same church on 27 December 1827. They had two daughters – Mary Salmon (Dobson) ch 1 January 1830 and Elizabeth Procter (Dobson) ch 11 July 1832. There is no trace of Matthew after these records. Elizabeth lived in a small "apartment" for financially distressed women. This tombstone was probably paid for by Joseph Procter, her wealthy son-in-law.
